Who we are

Over 100,000 families serviced with a Danielle Fence

Since 1976, Danielle Fence & Outdoor Living has taken pride in installing thousands of outdoor living projects in Central Florida. Homeowners from St. Petersburg to Orlando have had their outdoor living space revitalized through a new fence, new outdoor kitchen, fire features, and much more! Our stats show that we have had a wide-reaching impact over the years.

We have installed over 5 million linear feet of fencing! Between Vinyl, Aluminum, Wood, Composite, and Allegheny fences, that's a whole lot of fence! We have also installed over nearly 800 outdoor kitchens. That's hundreds of families enjoying the outdoors and hosting friends and family for entertaining cookouts. Our Danielle sign can be seen in over 50 towns and cities and 10 counties throughout Central Florida. We have fulfilled the outdoor dreams of residents in communities such as Wesley Chapel, Bradenton, Kissimmee, Bartow, and Valrico.

We consider it a privilege to serve the residents of Central Florida, and we are so grateful for each family and homebuilder that has chosen Danielle Fence to beautify their residence.

We would like to invite you to visit our website at www.DanielleFence.com and browse our full line of Fence and Outdoor Living products.

A screenshot of the Danielle Fence & Outdoor Living website. The top navigation bar includes links for FENCE & GATES, KITCHENS & GRILLS, FIRE FEATURES, BALUNES & PAVERS, and OUTDOOR LIVING SPACES. There is also a contact number and a 'REQUEST FREE ESTIMATE' button. The main banner features a photograph of a grey vinyl fence with a yellow bicycle in the foreground. The text on the banner reads: 'A COMPANY YOU CAN TRUST SINCE 1976'. Below the banner is a section titled 'Our Mission' with icons representing different services. At the bottom, there are four small images with labels: 'FENCE & GATES', 'OUTDOOR KITCHENS & GRILLS', 'OUTDOOR LIVING SPACES', and 'FIRE FEATURES'.

Bonnet Springs Park

Lakeland's newest nature park!

We are proud to be a part of the newly developed **Bonnet Springs Park** in Lakeland Florida. While visiting this beautiful nature park make sure to stop by and check out some of the features we were honored to be a part of. In addition to the aluminum fence that you will see throughout the park **Danielle Fence** also contributed a screen enclosure to the Boathouse and Butterfly Garden, an outdoor kitchen to the Event Center and an Equinox Pergola to the Rooftop Bar.

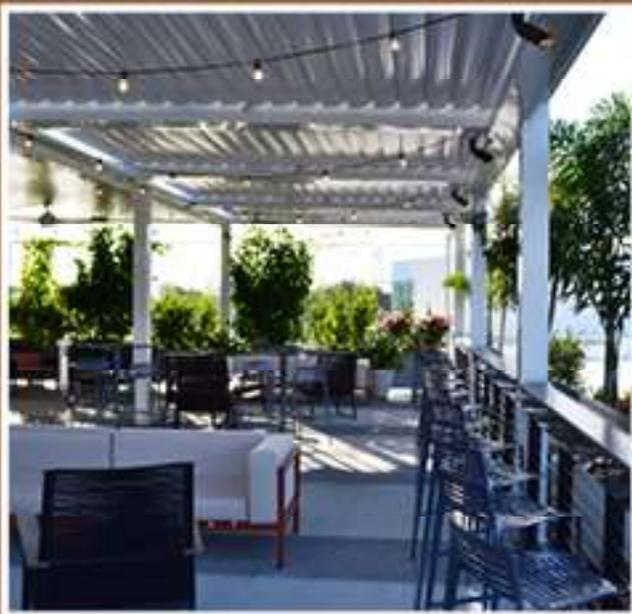

Bonnet Springs Park has so much to do and see - make sure to plan a trip with the family to escape, explore and be one

Visit bonnetspringspark.com for further information and to see when special events are coming!
